The Discovery of the “Anima” in *Prendimi l'anima The Soul Keeper*

**The Film by the Italian
Roberto Faenza, 2002**

**Wed Oct 24, 2012
18:30-20:00, Room U**

“Two modern researchers, Marie, a young French scholar, and Fraser, a historian from Glasgow, follow Sabina’s life from Zurich to Moscow to Rostow, leading to the discovery of missing portions of the original correspondence. And since any ex-

ploration of others’ lives inevitably leads to delving into one’s own self, the two stories finally interweave and are swept away in the passionate journey.”
