Theory & Practice

Lectures focus on the theoretical fundamentals of Jungian-oriented supervision.

Intensive 6-hour workshops support practical implementation of the acquired theory.

- Maximum 8 participants. *Due to the participation limit, priority is given to ISAPZURICH Training Analysts.*

“Certificate in Supervision”

Aimed at ISAPZURICH Participants and Alumni aspiring for promotion to the status of supervisor.

Prerequisites:

- IAAP membership & at least two years of professional Jungian practice
- Attendance at all 24 lectures and 3 workshops
- Minimum on-site attendance of 16 lectures
- Attendance at all 3 workshops on-site

“Certificate of Attendance”

Prerequisites:

- IAAP membership & at least two years of professional Jungian practice
- Attendance at all 24 lectures (live on Zoom or on-site)
- Excludes attendance at the workshops
- It is up to the individuals to determine whether or not this program is recognized by their IAAP Groups and/or local authorities for continuing education purposes.

Recorded Package

- Available to anyone wishing to purchase a recording of the 24 theoretical lectures
- Registration and deposit required
- Package distribution and final payment as of August 2, 2024

Program Committee

John Desteian, JD, DPsy

“[A]n understanding heart is everything in a teacher, and cannot be esteemed highly enough. One looks back with appreciation to the brilliant teachers, but with gratitude to those who touched our human feeling. The curriculum is so much necessary raw material, but warmth is the vital element for the growing plant and for the soul [...].”

- C.G. Jung, *The Development of Personality*, CW17, §249
