The Jungian Odyssey welcomes public participation in ISAP's annual off-campus retreat with studies in C.G. Jung's Analytical Psychology. The week is open to all who seek spiritual enrichment, personal or professional development, and intimate cross-cultural exchange.

Credentials By virtue of ISAP's founding and oversight by AGAP, our programs are recognized by the International Association for Analytical Psychology (IAAP). Further: ISAP is a member of the Swiss Charta for Psychotherapy and the Association for Swiss Psychotherapy (ASP). ASP oversees our CH-Program (Swiss psychotherapy training). The Schweizerische Gesellschaft für Psychiatrie und Psychotherapie (SGPP) recognizes ISAP as a continuing education institution.
